● Terry lining
||||| Ribbing

WITH FREE INDIVIDUAL RECYCLED TAG AND COMPOSTABLE BAG

Falls below the calf.
Thicker and more comfortable with cushioning effect.

- ➔ Reference: Premium Classic Crew with full terry lining. **KS09**
- ➔ Full custom knitted with your design up to 6 colours.
- ➔ 160 in-stock yarn colours available. *
- ➔ Composition: 80% combed cotton for comfort, 17% polyamide for strength, 3% elastane for stretch. Other compositions and yarns available upon request.
- ➔ Terry cushioning throughout the sock for added comfort and for additional warmth.
- ➔ Packaged as a pair with free recycled branded sock tag and individual self-seal bag.
- ➔ Minimum quantity order from 150 pairs per size and design.
- ➔ Available sizes: one size fits all for men, one size fits all for women. A one size fits most is also available. Other sizes available upon request.

- ➔ High quality cotton results in a snug soft fit that absorbs sweat, enhances durability and offers superior comfort.
- ➔ Reinforcement in heel and toe provide durability to dramatically improve product life.
- ➔ All materials used in the production of socks are Oeko Tex certified.
- ➔ Manufactured in Europe according to ISO 9001 quality management system. Plus ISO 14001 and ISO 45001.

- ➔ Care instructions: Machine wash cold on gentle cycle, do not bleach or tumble dry. Do not dry clean or iron.

Production lead times: From 2 to 4 weeks depending on the quantity and our production schedule.

Transport: via TNT ground service within 1 week throughout the EU. Alternative air freight in 48 hours within the EU, UK and USA.

OPTIONAL

- The height of the cuff can be adjusted.
- Ribbing can be added to prevent feet from slipping inside of the sock.
- Organic GOTS and Upcycled cotton available.
- Polygiene STAYS FRESH odor-control fabric treatment.  Polygiene[®]
STAYS FRESH

OBSERVATIONS

- All socks are custom knitted allowing us to change the technical characteristics of the socks
- *160 in-stock colours are available and are used to best match Pantone colours. On occasion, specific colours may be out of stock so we will substitute the second best matching colour for the out of stock colour.
- Pantone dyed yarns can be made but will require an additional 4 weeks to produce. Conditions apply.
